

Ayurveda - Pre-Programme Checklist

Ayurveda Wellness - What to Bring

A short, considered list for you to pack light, but pack smart.

Movement Wear

Each day includes both Yoga and Pilates, so bring 4-5 comfortable, breathable outfits for the three days – enough that you're not washing clothes each evening. Yoga and Pilates mats are provided at the resort; if you have a mat you love, you're welcome to bring it, but it's entirely optional.

Everyday & Downtime

- ☐ Loose, comfortable clothing for meals and time between sessions.
- ☐ A light layer for early-morning practice.
- ☐ Whatever you personally rely on for sleep and self-care.

For the Days Themselves

- ☐ A reusable water bottle.
- ☐ Sunscreen and insect repellent.
- ☐ Good walking sandals or covered shoes, for the group excursion into Ubud.
- ☐ Swimsuit and light clothing to go on top for the group excursion.

What's Already Taken Care Of

Your programme includes all sessions across the five pillars, villa accommodation, all daily meals, and airport transfers. International flights are not included. The one thing worth bringing that we can't provide: a genuine willingness to slow down.
